

Independent Living

RESOURCES

of Solano & Contra Costa Counties

December 15, 2017

SUSAN ROTCHY
Executive Director

Dear Friend,

Independent Living Resources of Solano and Contra Costa Counties (ILRSCC) is a 501(c)(3) non-profit, tax exempted organization that empowers those with disabilities to reach their full potential. We have been serving our community since 1985 and are funded through private, state and federal funds. We assist people with all disabilities including physical and mental health, and provide resources they need to live independently outside of their home. These economic times have affected everyone in the community, but have hit the underserved, especially people with disabilities, the hardest.

ILRSCC offers services to people with disabilities in our community; and provides them with necessary resources to seek housing as well as skills in social interactions, financial support, and household management. We also offer peer support, information and referrals, benefits services, personal assistance service and assistive technology which entails assisting in locating gently used medical durable equipment to be given to our consumers at no cost.

We are hosting a "Mardi Gras" event to benefit Independent Living Resources of Solano and Contra Costa Counties. This charity event will provide services for consumers to continue living independently in their community, whether by repairing donated equipment to be given to consumers or assisting consumers with transportation to get to and from our center to receive services. The event will be held on February 24th, 2018 at IBEW Local 302 in Martinez, with IBEW Local 302 as the main sponsor. We are seeking donations for raffle and auction items as well as cash donations, which would be greatly appreciated.

With your generous donation, we will be able to continue supporting our community with services that benefit people who live with disabilities. We welcome the opportunity for you to join us in our endeavors to empower the underserved in our communities. Together, we can offer people with disabilities the skills they need to live independently. Please join us this February 24th for "Mardi Gras."

Please feel free to contact or visit our center.

Thank you in advance,

Susan Rotchy
